10 TOP TIPS FOR... Winter Hair

- DEEP CONDITION WEEKLY (NO EXCEPTIONS!)**
Dry air makes hair brittle and in need of deep hydration. Use **L'Oréal Absolut Repair Mask** once a week, focusing on the mid-lengths and ends.
- USE A LIGHTWEIGHT LEAVE-IN**
Short hair can get weighed down easily. A pea-sized amount of leave-in conditioner: **Beauty Works Argan Oil Serum** applied to damp hair locks in moisture and fights dry static.
- GET YOUR TRIM EVERY 6-8 WEEKS**
Winter makes hair ends prone to splitting. Trimming more frequently (every 6-8 weeks) is non-negotiable to keep your cut crisp and healthy.
- DITCH THE DAILY SHAMPOO**
Over-shampooing strips the natural oils your scalp needs for protection. Use **Beauty Works Pearl Nourish Shampoo & Condition** every 2-3 days.
- AVOID STEAMY, HOT SHOWERS**
Hot water strips moisture. Wash hair with lukewarm water and finish with a quick, cool rinse. This helps seal the cuticle, adding shine and preventing frizz.
- TAME STATIC WITH THE RIGHT TOOLS**
Static is a major problem so swap plastic brushes for natural options like our sustainable **Head Jog Straw Brushes**.
- PROTECT HAIR FROM FRICTION**
Wool and cotton hats cause friction, leading to static and breakage. Invest in a silk-lined Winter beanie and protect curls with a silk cap at night.
- MINIMISE DIRECT HEAT STYLING**
Excessive heat styling further dries out hair. Use a dryer on a low heat setting using our favourite **Revlon 10-in-1 Protective Spray**.
- INVEST IN A HUMIDIFIER**
Indoor heating is a major culprit for dry, static-prone hair. A humidifier in your bedroom overnight infuses moisture back.
- NOURISH THE SCALP**
The cold and dry indoor heat can cause dry, flaky, and itchy scalps. Choose **L'Oréal Scalp Advanced Shampoo** used once a week to maintain a healthy foundation for hair growth, while reducing sebum and avoiding dandruff.

It's Christmas in the salons...

It's been 11 magical years since Katie unwrapped her very first salon right there on Bridge St, Belper! Like a beautifully decorated tree, the KW business has been growing stronger and shining brighter ever since. We are absolutely thrilled to now serve you from five successful salons across Derbyshire this Christmas season.

Find Your Festive Appointment: All five of our salons operate on a fully integrated system. If you can't grab a spot at one location, we can quickly find space for you at another - like Santa checking his list twice! Some of our dedicated staff even sprinkle their talent across more than one site.

kw allestree

"We love Christmas here and when Dominic the Donkey comes on the playlist everything ramps up a notch!" - Amy T

We have a habit of choosing buildings with history, because this particular salon is nestled inside what was once a busy Lloyds Bank right in the heart of the Park Farm Shopping Centre. When this mall was established, it was the largest in Europe! With convenient access to local shops and free on-site parking, it's the perfect spot to enjoy a relaxed appointment with our wonderful team before doing a spot of Christmas shopping.

Parking is free at Park Farm for 3 hours, if you're staying with us longer then please remember to pay on arrival using the app.

"The salon is such an exciting place to be in December. It's busy, fun and it's a great feeling seeing so many happy clients!" - Kim

Our story started right here in Belper and the town remains at the heart of our business. Our flagship salon is housed in an iconic former bank built in 1905. We lovingly transformed this empty shell into the vibrant space it is today and we love giving it a festive facelift. December is hard work for the team, but we pull together and make it happen. Situated on Belper's award-winning high street, we are surrounded by independent shops and numerous cafes and bars, so we're a big part of our clients' festive preparations!

Parking is available in Coppice Car Park (DE56 1FZ) or Pay & Display at Field Lane Car Park (DE56 1UP).

"We are your calm place at this crazy time of year - with the option of a festive singalong!" - Amanda

Our Duffield salon is beloved for its intimate space. The Duffield team works hard to cultivate a truly welcoming and homely Christmas haven, ensuring every client enjoys a relaxed, gentle escape from the seasonal rush. As with all our locations, the full range of KW services is available here, and you'll find the friendly Duffield staff often rotate through our other salons as well, spreading their festive cheer!

We advise parking in Eyes Meadow Car Park (DE56 4GE) which has plenty of spaces and has a footpath across from the salon.

kw mickleover

"This December will be interesting... I'm both very excited, but also very pregnant! Bring it on!" - Rebecca

Nestled in the residential west of Derby city centre, our Mickleover salon is truly at the heart of the community. This spot has been a salon since the '80s, and we were delighted to take over in August 2023. Ladybank Road's parade of independent shops has a great Christmas vibe. Though compact and bijoux, "Little Micky" is a salon to be proud of, offering services delivered by a lovely, caring team.

Free parking is available at the front of the salon - but please be aware that at school times, parents use the space to pick up their little ones - so give yourself extra time.

FACILITIES:

kw ripley

"This will be my first Christmas managing Ripley, and welcoming everyone through the door, is so important to me!" - Laura H

Situated on a beautiful corner spot right in the heart of Ripley town centre, our salon brings you seasonal cheer and has quickly become a local favourite. Ripley is a town rich in both history and personality - a vibe perfectly mirrored by our lovely space. We've been delighted to welcome many new and familiar clients, offering them the gift of gorgeous hair and beauty treatments all year round!

We recommend parking in Nottingham Road Car Park (DE5 3DJ), which is a council car park with plenty of spaces and is just across the road.
